

Building Better Contractor Safety & Health Oversight

Thursday, December 15, 2022, 1:00 p.m. EST

On 12/15/2022 at 1:00 p.m. EST, the SMCX will host the “*Building Better Contractor Safety & Health Oversight*” webinar.

This webinar discusses the basics of government contracts, contract management, and contractor safety and health (S&H) oversight. The webinar reviews key reference documents, contract types, contracting phases, government and contractor S&H responsibilities, and safety office do’s and don’ts when dealing with contractors. This webinar also describes some best practices for building better contractor oversight and cooperation.
