DoD SMCX 2022–2023 Webinar & Workshop Schedule

Did You Say FREE?!

Did you know the SMCX offers free webinars and workshops? Our webinars and workshops are one hour long and cover various safety and health topics to help you implement and sustain your safety and occupational health management system (SOHMS)! We look forward to you joining us!

EVENT HIGHLIGHTS

Free ▪ Interactive ▪ Subject-Matter-Expert Stories ▪ Live Q&A Session

Best Practice Sharing ▪ Real-Life Examples ▪ Enhanced Collaboration & Instruction

Hands-On Activities and Exercises ▪ On-Demand Document Downloads ▪ Recordings

Participate in our **live** events, held the third Thursday of each scheduled month, beginning at 1:00 PM ET.

Just register and login to the SMCX website to sign up for webinars and workshops! Upon registration, you will receive an email confirmation along with the presentation link.

Webinar vs. Workshop

Webinars are a presentation of safety and health topics. Workshops incorporate more participant activity and interaction than webinars. For our workshops, bring your pencils, a notebook, and your questions to our interactive and educational events. Watch your email for any worksheets or documents you may need to download or print ahead of time to participate.

Check out recordings from our past webinars and workshops on the SMCX website.
