

Get a Grasp on Your Material Handling Program

Thursday, June 17, 2021, 1:00 p.m. EDT

On 6/17/2021 at 1:00 p.m. EDT, the SMCX will host the “Get a Grasp on Your Material Handling Program” webinar.

The webinar focuses on material handling, summarizing material handling risks and jobs prone to having material handling hazards. In addition, the webinar provides details on written material handling programs and training programs.

This introductory-level webinar is beneficial to personnel wanting to learn more about material handling. Personnel gaining the most benefit from this presentation may include: Warehouse managers, Supervisors, Safety professionals, Safety committee members, Personnel with additional safety duties (e.g., Additional Duty Safety Officer [ADSO], Collateral Duty Safety Officer [CDSO]), Employees who perform safety training, and Master Drivers, or Material Handling Equipment trainers and licensing personnel.

Please click the article headline or registration link [here](#) to register for this FREE webinar.
