

PPE Workplace Solutions – Let’s Start with the Basics

Thursday, July 15, 2021, 1:00 p.m. EDT

On 7/15/2021 at 1:00 p.m. EDT, the SMCX will host the “PPE Workplace Solutions – Let’s Start with the Basics” webinar.

This webinar defines personal protection equipment (PPE) and reviews the standards requiring PPE in the workplace. The webinar also summarizes basic PPE training requirements and reviews OSHA requirements for conducting a hazard assessment to determine PPE needs in the workplace. The webinar discusses some solutions for improving and optimizing PPE use in the workplace and reviews the recommended elements of a PPE program.

This introductory-level presentation is beneficial to personnel wanting to learn more about PPE requirements and establishing a PPE program.

Personnel gaining the most benefit from this presentation may include: safety and health (S&H) professionals, first-line supervisors, and other personnel with responsibilities for oversight of the PPE program.

Please click the article headline or registration link [here](#) to register for this FREE webinar.

NOTE: We will be capping attendance at 100, so be sure to register early!
