

Updates to the CSP 03-01-005: VPP Policies and Procedures Manual

Thursday, September 16, 2021, 1:00 p.m. EDT

On 9/16/2021 at 1:00 p.m. EDT, the SMCX will host the “Updates to the CSP 03-01-005: VPP Policies and Procedures Manual” webinar.

This webinar focuses on the January 30, 2020 revision of the Occupational Safety and Health Administration’s (OSHA) Voluntary Protection Programs (VPP) Policies and Procedures Manual Cooperative and State Programs (CSP) 03-01-005. It will discuss why the CSP is important, what the newest changes are, and how those changes affect your worksite. This webinar provides an opportunity for a live question and answer session to increase attendee understanding of the changes to the CSP. Attendees are encouraged to bring questions about the updated CSP and how it impacts their workplaces.

This intermediate-level webinar will be beneficial to personnel wanting to learn more about the updates to OSHA’s VPP CSP 03-01-005. Attendees should have a fundamental understanding of OSHA VPP prior to this webinar. Personnel gaining the most benefit from this presentation may include: Safety and Occupational Health (SOH) Staff, VPP Coordinators, VPP Committee members, and others with assigned VPP roles and responsibilities.

Please click the article headline or registration link [here](#) to register for this FREE webinar.

NOTE: We will be capping attendance at 100, so be sure to register early!
