

Writing Your VPP Annual Self-Evaluation

Tuesday, October 26, 2021, 1:00 p.m. EDT

On 10/26/2021 at 1:00 p.m. EDT, the SMCX will host the "Writing Your VPP Annual Self-Evaluation" online workshop.

This workshop focuses on the annual Voluntary Protection Programs (VPP) self-evaluation, specifically how to prepare for and accurately write the narrative section of the evaluation. This workshop helps you retrieve the annual self-evaluation template, decide who should be responsible for writing each section, and prepare a written evaluation of each sub-element. Workshop activities include an exercise in evaluating responsible persons, writing narrative language to support a sub-element, and setting recommendations for improvement, all of which are required elements of an effective annual VPP self-evaluation. This workshop concludes with ideas for using the self-evaluation results to improve your safety management system (SMS).
