

DoD SMCX 2019–2020 Webinar Schedule

Did You Say FREE?!

Did you know the SMCX offers free webinars? Our webinars cover various safety and health topics to help you with your safety management systems! We use your webinar feedback and survey input to select our topics to ensure they are relevant to you!

WEBINAR HIGHLIGHTS

Free ▪ Interactive ▪ Subject-Matter-Expert Stories ▪ Live Q&A Session
Best Practice Sharing ▪ On-Demand Document Downloads ▪ Recordings

Participate in our **live** webinars, held the third Thursday of each scheduled month, beginning at 1:00 PM ET. Sign up for webinars on the [SMCX website](#). You will receive an email confirming your registration, along with an Adobe Connect™ presentation link.

WEBINAR SCHEDULE

August 15, 2019	Improving Upon Common Errors in S&H Training Management

May 21, 2020	Explore the 5Ws (and 1H) for Routine Self-Inspections
June 18, 2020	Spark Your Interest in Hazardous Energy Control During Self-Inspections
July 16, 2020	Hazard Analysis: Identifying Techniques for SMS Success

We use Adobe Connect to make our webinars more interactive. Adobe Connect works with government firewalls, so you should not have any problems accessing the presentation. There is no need to call in with Adobe Connect since you can hear the presentation through your speakers!

We also record each webinar and post it on the SMCX website for you to replay at your convenience. Just log in to the SMCX website for immediate access to webinar recordings and other valuable resources!

DoD SMCX 2019–2020 Workshop Schedule

Participate in a Workshop!

Join the SMCX for one of our free online workshops. Our workshops add another opportunity for you to learn hands-on safety and health information to support your safety management system!

WORKSHOP HIGHLIGHTS

Hands-On Activities and Exercises ▪ Use of Real-Life Examples ▪ Interactive
Enhanced Collaboration and Instruction ▪ Free ▪ Recordings

Participate in our **live** workshops, held the fourth Tuesday of select months beginning at 1:00 PM ET.

Sign up for workshops on the [SMCX website](#). You will receive an email confirming your registration, along with an Adobe Connect™ presentation link.

**Catch the Action
LIVE!**

WORKSHOP SCHEDULE

July 23, 2019	OSHA Recordkeeping – One Step at a Time
October 29, 2019	Documenting Job Hazard Analyses that “WOW” Safety Professionals
February 25, 2020	Getting ‘SMART’ with Safety Goals and Objectives: Goal Setting at Your Organization
June 23, 2020	Get the Dirt on Housekeeping: Right vs. Wrong

Gear up for our workshops by bringing your pencils, a notebook, and your questions to participate! We use Adobe Connect to make workshops interactive and educational.

Watch your email for any worksheets or documents you may need to download/print ahead of time. We hope to see you there!

We also record each workshop and post it to the SMCX website so you can view it later. Just log in to the SMCX website for access!
